K&K ADVOCATES NAMED TIER 2 FOR IT AND TELECOMMUNICATION PRACTICE

The Legal 500 has placed K&K Advocates in tier 2 for IT and Telecommunication practice. This recognition validates K&K Advocates' expertise in this fast-growing field at present. K&K Advocates has been acknowledged for its specialisation in TMT space with particular strength in data protection, media, telecommunication, and over-the-top content (OTT) issues.

"We are very proud of the achievement for our work in this field. Our commitment to excellence will continue to grow as the practice expands and more innovation is developed in this practice throughout the country and region" said the Managing Partner of K&K Advocates, Justisiari P. Kusumah.

We will take this recognition as a stimulus to not only maintain our top level of service and but also to further improve our service to help the client in achieving best possible outcome.
